October Customer Spotlight

[Grassroots Coffee Company](#) is a staple of the downtown Thomasville community. Offering fresh, in-house roasted coffee as well as specially sourced coffees from all over the world, Grassroots is the place to stop for made-to-order breakfast items, unique lunch offerings, healthy smoothies, and of course, specialty coffee drinks like lattes and frappes.

When asked why Grassroots chose CNS to help them accomplish their business goals, owner Spencer Young replied: "The rates with CNS are very competitive, and with CNS, we are pouring back into our local economy and employing locals. CNS contributes funding back into our community,

as well as others. Plus, CNS' customer support is always spot on- from easy online bill pay to tech support, they're always there to help out."

Thank you, Grassroots Coffee Company! We love our customers!

We want to spotlight YOU!

We'd LOVE to feature YOU in our *Customer Spotlight*! Featured once a month, the *Customer Spotlight* is a great way to get the word out about your business. Email Sarah at sarah.baggett@thomasville.org for more information on how to be featured!

What is VLAN Service, any way?

When your business involves multiple locations, connecting all facilities is important. Through CNS VLAN Service, a virtual cloud is created that allows you to manage all of your locations through one connection at the bandwidth that is best for your business needs.

CNS offers a full range of commercially geared products and services for every business, both large and small. We offer the **telecommunication services your business needs** for a **fast, reliable, and secure** connection to the Internet. From dedicated telephony solutions, dedicated Internet and dedicated transport to VLAN services and web hosting, CNS has you covered.

Staff Spotlight

Meet David Hower! David has been with CNS since the beginning. David began as an installer in Thomasville, then became the operations manager in Camilla. As the daily operations manager for CNS in Camilla for 12 years, David was in charge of having the HFC plant built there. During his tenure in Camilla, David also saw Pelham and Baconton added to the CNS service area. David returned to Thomasville in 2012 as the telecom and commercial sales manager.

"My favorite part of my job is taking on large projects," says David. "Working with customers and staff to provide a **unique service** for an **exceptional product** and providing our customers with the **best service possible** are aspects we can all take pride in."
