Internet & Telephony Outage On June 23

CNSNext has a planned Internet and telephony outage scheduled for June 23 from approximately 12:01 AM - 7:00 AM in all cities.

Customers will not experience service interruptions for the entire time period; however, interruptions of services are expected to occur intermittently throughout this time.

The 2020 NASCAR Cup Series is in full swing! Your commercial spot can be seen during the following races:

6/28- Pocono 350
7/12- Quaker State 400
7/15- NASCAR All-star Race

Contact Brandy at 229-227-4090 to update your advertising schedule today!

JUNE EMPLOYEE SPOTLIGHT

Meet Sarah Baggett! She is our CNSNext Marketing Manager. We sat down to learn a little bit more

about her.

How long have you worked for CNSNext?
6 years

What does a typical work day consist of for you?

One of the best parts of the job is that every day is different! Some of my day-to-day responsibilities include creating marketing plans and training team members on new product launches.

What's your favorite part of working for CNSNext?

Knowing that CNSNext offers the best quality products and customer service around. Our team really cares about each individual customer.

CNSNext Customer Testimonial

"Two years ago I made a decision to switch from CNSNext to Dish Network. I was soon unhappy but stuck with a two-year contract. It recently ended and I could not wait to return to CNSNext. Today, a fine young man by the name of Matt came out & installed our cable back. It is rare to find a lot of young adults with his manners and work ethics these days." - Janice Spence

Television Fun Fact:

ZENITH
THE BEST IN TELEVISION

The first TV remote control came from Zenith in 1950. It was connected to the TV set by a wire. A 1951 magazine ad for Zenith TVs promised consumers they can "change TV programs from your easy chair with the amazing Zenith 'Lazy Bones' remote control."

UPCOMING SUMMER PREMIERES!
