

CNSNext FOX One TV Everywhere Guide

Before You Begin

- Customers must subscribe to a qualifying CNSNext TV package that includes the FOX channels they wish to watch.
- Customers must have a TV Everywhere account. New users may register from the CNSNext login page.

Step 1

Download and open the FOX One app on the mobile device.

FOX ONE **FOX One: Live News, Sports, TV**
MLB, INDYCAR, FIFA World Cup™

Today Games Apps Arcade Search

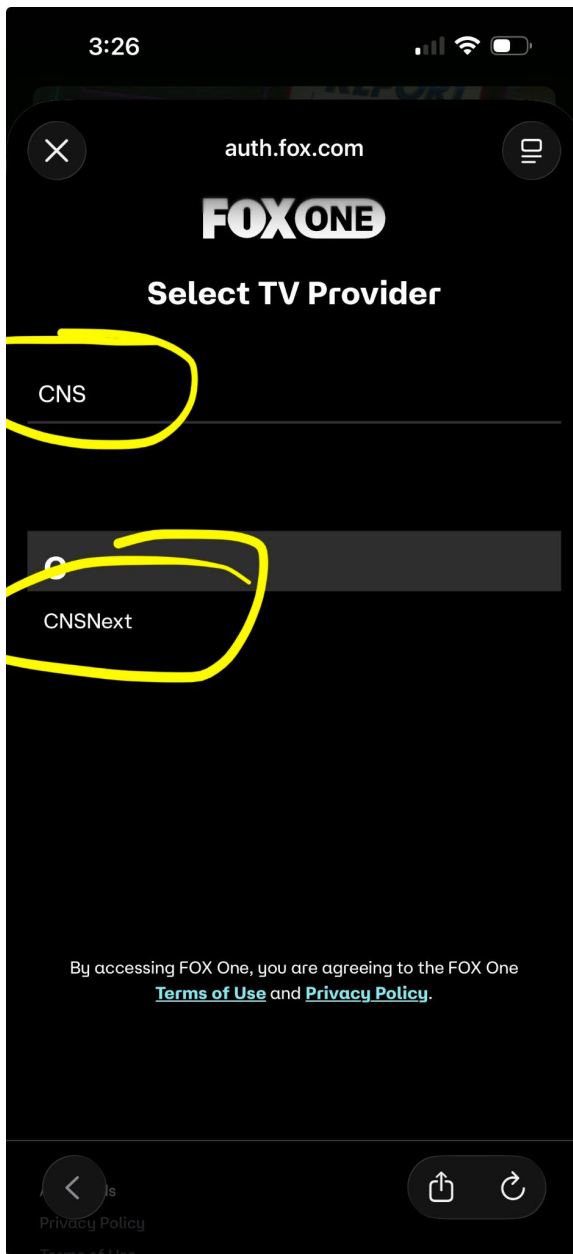

Step 2

If prompted with 'FOX One Wants to Use id.fox.com to Sign In,' select Continue.

Step 3

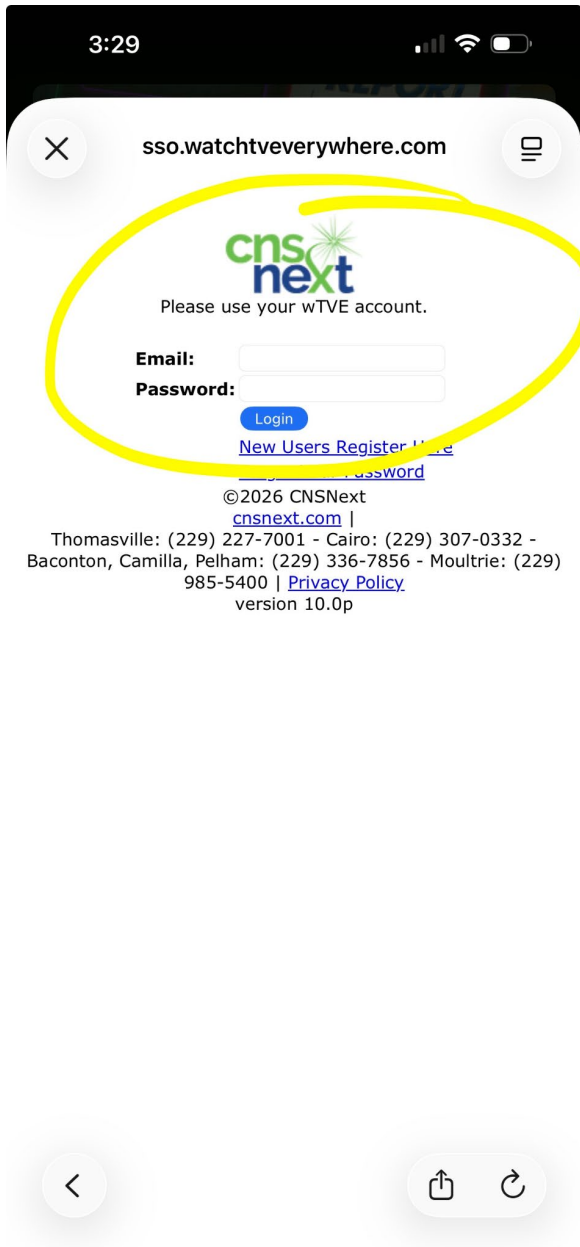

When prompted to select a TV provider, type CNS in the search field and select CNSNext from the list of available TV providers.

Step 4

Enter the customer's TV Everywhere email address and password, then select Login.

- New users can select 'New Users Register Here.'
- Customers who forgot their password can select 'Forgot Your Password.'

Step 5

After successfully signing in, the customer will be returned to the FOX One app and can begin streaming available FOX One content included with their CNSNext TV subscription.
